The process of becoming a PA Notary can easily be sized up into three steps. However you must first make sure that you meet the following eligibility requirements:

- ▶ **Be 18 years of age or older**
- ▶ **A resident of, or employed in the Commonwealth of PA**
- ▶ **Of good moral character, integrity and ability**

If you meet the above criteria, Congrats! Keep reading. You're on your way to become a PA Notary.

APPLICATION

Let's look at the first step in the Application: New and renewing notaries whom were originally commissioned *after* July 1, 2003 must complete a State approved 3 hour mandatory education course. Education must be completed within 6 months before applying.

We hope you choose **The PA Notary** (*P.S It's half the price of competing courses*) and we'll be delighted to have you!

After completing your notary education, submit an application to the State accompanied by a \$40 non-refundable application fee.

You can submit an application by mail or you can utilize the preferred method of **applying online**.

The online application also helps to eliminate some of the most common reasons applications are returned, such as the following:

- ▶ **Application is not accompanied by the \$40.00 non-refundable fee**
- ▶ **Applicant has not signed the application**
- ▶ **Applicant's signature does not match the applicant's name**
- ▶ **Applicant has not provided a sufficient business or home address**
- ▶ **Applicant has not completed the municipality information**
- ▶ **Information provided on the application is illegible**

However, you still need to double check the following items before applying online:

- ▶ **Your legal name is used on application – no nicknames or abbreviations**
- ▶ **Address used CANNOT be a P.O. Box**
- ▶ **You have completed a 3 hour classroom or Online Notary Course**
- ▶ **Course completion certificate matches legal name on the application**
- ▶ **You have not omitted any information, (address change, misdemeanor, etc.)**

Applying online also helps all Pennsylvanians save money.

The Department of State estimates that taxpayers save \$80,000 every year by reducing paper-processing.

APPOINTMENT

Once your application is approved you will receive an Appointment. Please note that an Appointment and a Commission are not the same. The Appointment is the privilege to take the Office of Notary Public. Then you will have to solidify it by completing the following acts:

▶ **Obtain a surety bond in the sum of \$10,000**

The bond doesn't protect you. It is issued to the State and protects the public from acts of misconduct or harm caused by the Notary.

▶ **Take an Oath of Office at your Recorder of Deeds Office**

This won't be as ceremonial as a Presidential swearing in, but you will raise your right hand with a representative at the Recorder of Deeds office and make an Official Oath to perform the duties and responsibilities of a Notary Public.

▶ **Have your Official Signature recorded at your Prothonotary's Office**

Most Recorder of Deeds and Prothonotary offices are aligned in close proximity with each other, often in the same building. The Prothonotary's office will maintain your official signature. If a document that you notarized needs to be certified, the Prothonotary will be able to certify the document by viewing your official signature.

COMMISSION

After you have met all of the above requirements you will then receive an official Notary Public commission.

Hooray! You can now administer Oaths, Affirmations take Affidavits, Acknowledgments and more!

Notary commissions are valid for a term of 4 years. The Law further states that you are required to be familiar with the duties and responsibilities of a Notary Public.

Mandatory Education Requirement and Exemption

The Notary Public Law, as amended by Act 151 of 2002 (effective July 1, 2003), requires that applicants for both initial appointment and reappointment as a notary public complete at least three hours of approved notary education within the six months immediately preceding their application for appointment or reappointment. However, any applicant for **reappointment** who was appointed **on or before July 1, 2003** and whose notary commission was in effect **on July 1, 2003**, is **permanently exempted** or "grandfathered" from the education requirement. In other words, all notaries public who held active commissions on July 1, 2003 are not required to complete approved notary education upon their reappointment.

Excluded from the "grandfather clause" ruling are those notaries who: 1) received a letter of appointment or reappointment **prior to July 1, 2003**, but failed to obtain a bond and have the bond, the commission and oath recorded within the allotted 45 days; 2) resigned their commissions **prior to July 1, 2003**, and did not seek reappointment **prior to July 1, 2003**; 3) permitted their commissions to expire **prior to July 1, 2003**, and did not seek reappointment **prior to July 1, 2003**; and 4) had a commission revoked **prior to July 1, 2003**, as the result of a disciplinary action taken by the Department.
